

Dear Provider,

The U.S. Department of Health and Human Services (HHS), through the Health Resources and Services Administration (HRSA), announced \$20 billion in new funding for providers. Under this Phase 3 General Distribution allocation, providers that have already received Provider Relief Fund payments will be invited to apply for additional funding that considers financial losses and changes in operating expenses caused by the coronavirus. Previously-ineligible providers, such as those who began practicing in 2020, will also be invited to apply; and an expanded group of behavioral health providers confronting the emergence of increased mental health and substance use issues exacerbated by the pandemic will also be eligible for relief payments.

Providers will have from October 5, 2020, through November 6, 2020, to apply for Phase 3 General Distribution funding.

Visit the HHS website for the full [HHS announcement](#). Visit the [Cares Act Provider Relief Fund web page](#) for additional information.

Thank you,

Department of Health Care Policy & Financing
